THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2017-1-E - Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC - Staff Presents for Commission Consideration Duke Energy Progress, LLC's Petition for Reconsideration of Commission Order No. 2017-405 and Request that the Requirement to File Net Metering Compliance Tariff Be Suspended Pending Resolution of this Petition.

COMMISSION ACTION:

In Docket 2017-1-E, move to grant the Petition for Reconsideration of Commission Order No. 2017-405 and to grant temporary suspension of the Net Metering Compliance Tariff filing requirement. I make this motion because the tariff presented at the hearing by the company and all settling parties, and also included in the Order, is incorrect. In order to correct the situation, the company shall file a corrected tariff within five days of this Commission's decision. Upon receipt and review of the revised tariff, Commission staff are instructed to issue an amended order consistent with the changes proposed in the Petition. We have received no opposition to this Petition for Reconsideration.
